

COMPANY PROFILE

OUR MISSION

**BUILDING
THE BEST
INDUSTRIAL
VACUUMS.
WITH NO
COMPROMISE.**

EVERY VACUUM IS DESIGNED WITH CUSTOMER IN MIND

Every product is designed with the aim of providing the best vacuuming solution to the customer application requirements in terms of performance,

safety and usability. Our 50 year experience in vacuum solutions allows us to design, build and deliver state-of-the-art products in a fast and reliable way.

WE BUILD OUR VACUUMS

COMPREHENSIVE PRODUCTION FACILITY

TEAM OF EXPERTS IN VACUUM SOLUTIONS

Everything is built in-house at Depureco. Our team of experts pay continuous attention to every single detail, in order to create products able to perform even in the harshest working conditions, exceeding

customer expectations. Our large stock parts bring an extraordinary flexibility in production, making possible to quickly and effectively answer to any customer need.

100% FUNCTIONAL TESTING ON EVERY VACUUM

We strongly believe that the main feature of production equipment is reliability. That's why quality check is everything to us! We run complete functional testing of every product

before shipment, in order to provide the customer with a durable, reliable and safe product that will help its production and will last a lifetime.

Depureco is the only manufacturer offering up to 3 years warranty on its products.

WE SPEAK YOUR LANGUAGE

Depureco Industrial Vacuums Offers all-round support in to the dealer in **5 different languages**. We can provide all the informations you need in **Italian, English, French, Spanish and German**.

TRAINING FOR THE DEALER

Depureco dealers are part of a worldwide network, getting free training to better understand the industrial vacuum world and the opportunity it represents to generate business.

WORLDWIDE RECOGNITION

Depureco is an international brand that sells its products worldwide since more than 50 years and is renown for as one of the most important brands on the market.

SAFETY AS #1 PRIORITY

Safety, quality and excellence are a must-have for every Depureco product. We invested in a wide range of safety and quality certifications in order to assure maximum reliability at the customer.

MADE IN ITALY

Being part of a large and family-owned group allows us to build everything in-house in our facility in Turin, manufacturing real Made in Italy products.

MORE THAN CUSTOMERS

We believe in building long-lasting relationships and trust. No matter the problem, we will always be there with you to find the solution together.

WORLDWIDE PRESENCE

Our main facility is in Turin, Italy and we operate with 3 direct branches in the United States, Netherland and Romania in order to promptly support our worldwide dealers network.

CERTIFIED QUALITY

Our products meet EU safety, health and environmental requirements

Our production processes follow the ISO9001 quality management system criteria

We produce a wide range of vacuum cleaners certified for use in Atex zones 1, 2, 21, 22

Our range includes products compliant to NFPA regulation

OUR COMMITMENT

Taking care of people also means **protecting and preserving the planet** we live on. And this does not just imply guaranteeing a clean and healthy workplace, but also being proactive with tangible

actions to contribute to the planet's wellbeing and ensure a greener future for generations to come. With our **responsible reforestation** and tree-planting project, carried out in **partnership**

with Tree Nation, for each vacuum cleaner sold we plant a tree, thereby offsetting the CO2 we produce. Because trees are the Earth's real vacuum cleaners.
